PASTOR'S MONTHLY REPORT TO THE CHURCH CABINET

To the Members of South Church Cabinet,

Peabody, Mass.

Dear Friends:- This report covers the time from the annual church meeting to date (Jan. 11th to Feb. 23d, inclusive.) At the annual meeting the personnel of the Cabinet was altered by the addition of H. Leonard Harvey as clerk in place of Deacon Frye; and Miss Sarah Frances Wells as delegate in place of Mrs. Eliza Paige. Mr. Frye's office as deacon retains his membership on the cabinet. While the pastor is sorry to lose the wise counsel of Mrs. Paige from our consultations, he rejoices in the wise selection of so capable a successor, and in the numerical addition to our number made by dividing the two offices previously held by Deacon Frye. We extend a cordial welcome to Miss Wells and Mr. Harvey, and the pastor assures them that he desires their fullest co-operation in the work of the church.

On the administrative side the pastor has paid special attention to parish visitation, and is now enlarging his calls outside of the circle of families represented in the church membership, and including those whose children are attending our Sunday school. Miss Ethel Tyler and Miss Mildred Basford have undertaken the preparation of a card index record of these families both for the pastor's guidance in his calling and for reference. This list will prove a helpful auxiliary to the work of the prudential com-

mittee when it comes to canvas for the renewal of current expense pledges and the securing of new subscribers.

The committee on apportionment plan, Mr. Arthur F. Poole, chairman, has held a meeting and voted to recommend to the church thru the prudential committee the adoption of the "Duplex envelope" in some form, so as to afford a continual reminder and convenient opportunity to all our contributors to participate in the various benevolences.
